

*"Alone we can do so little; together we can do so much." – Helen Keller*

# WHAT is a POD?

- Think of your POD as **your personal study group** - you will attend workshops with your POD members and work together to complete assignments and activities.
- **If you have a tech issue or question**, reach out to a pod member and see if you two can figure out the answer together!

# HOW do I communicate with my POD?

- Please **exchange contact information** with your POD members (phone number or email)
- Your POD members may reach out to you if they miss a workshop or if they have a question on their tablet.

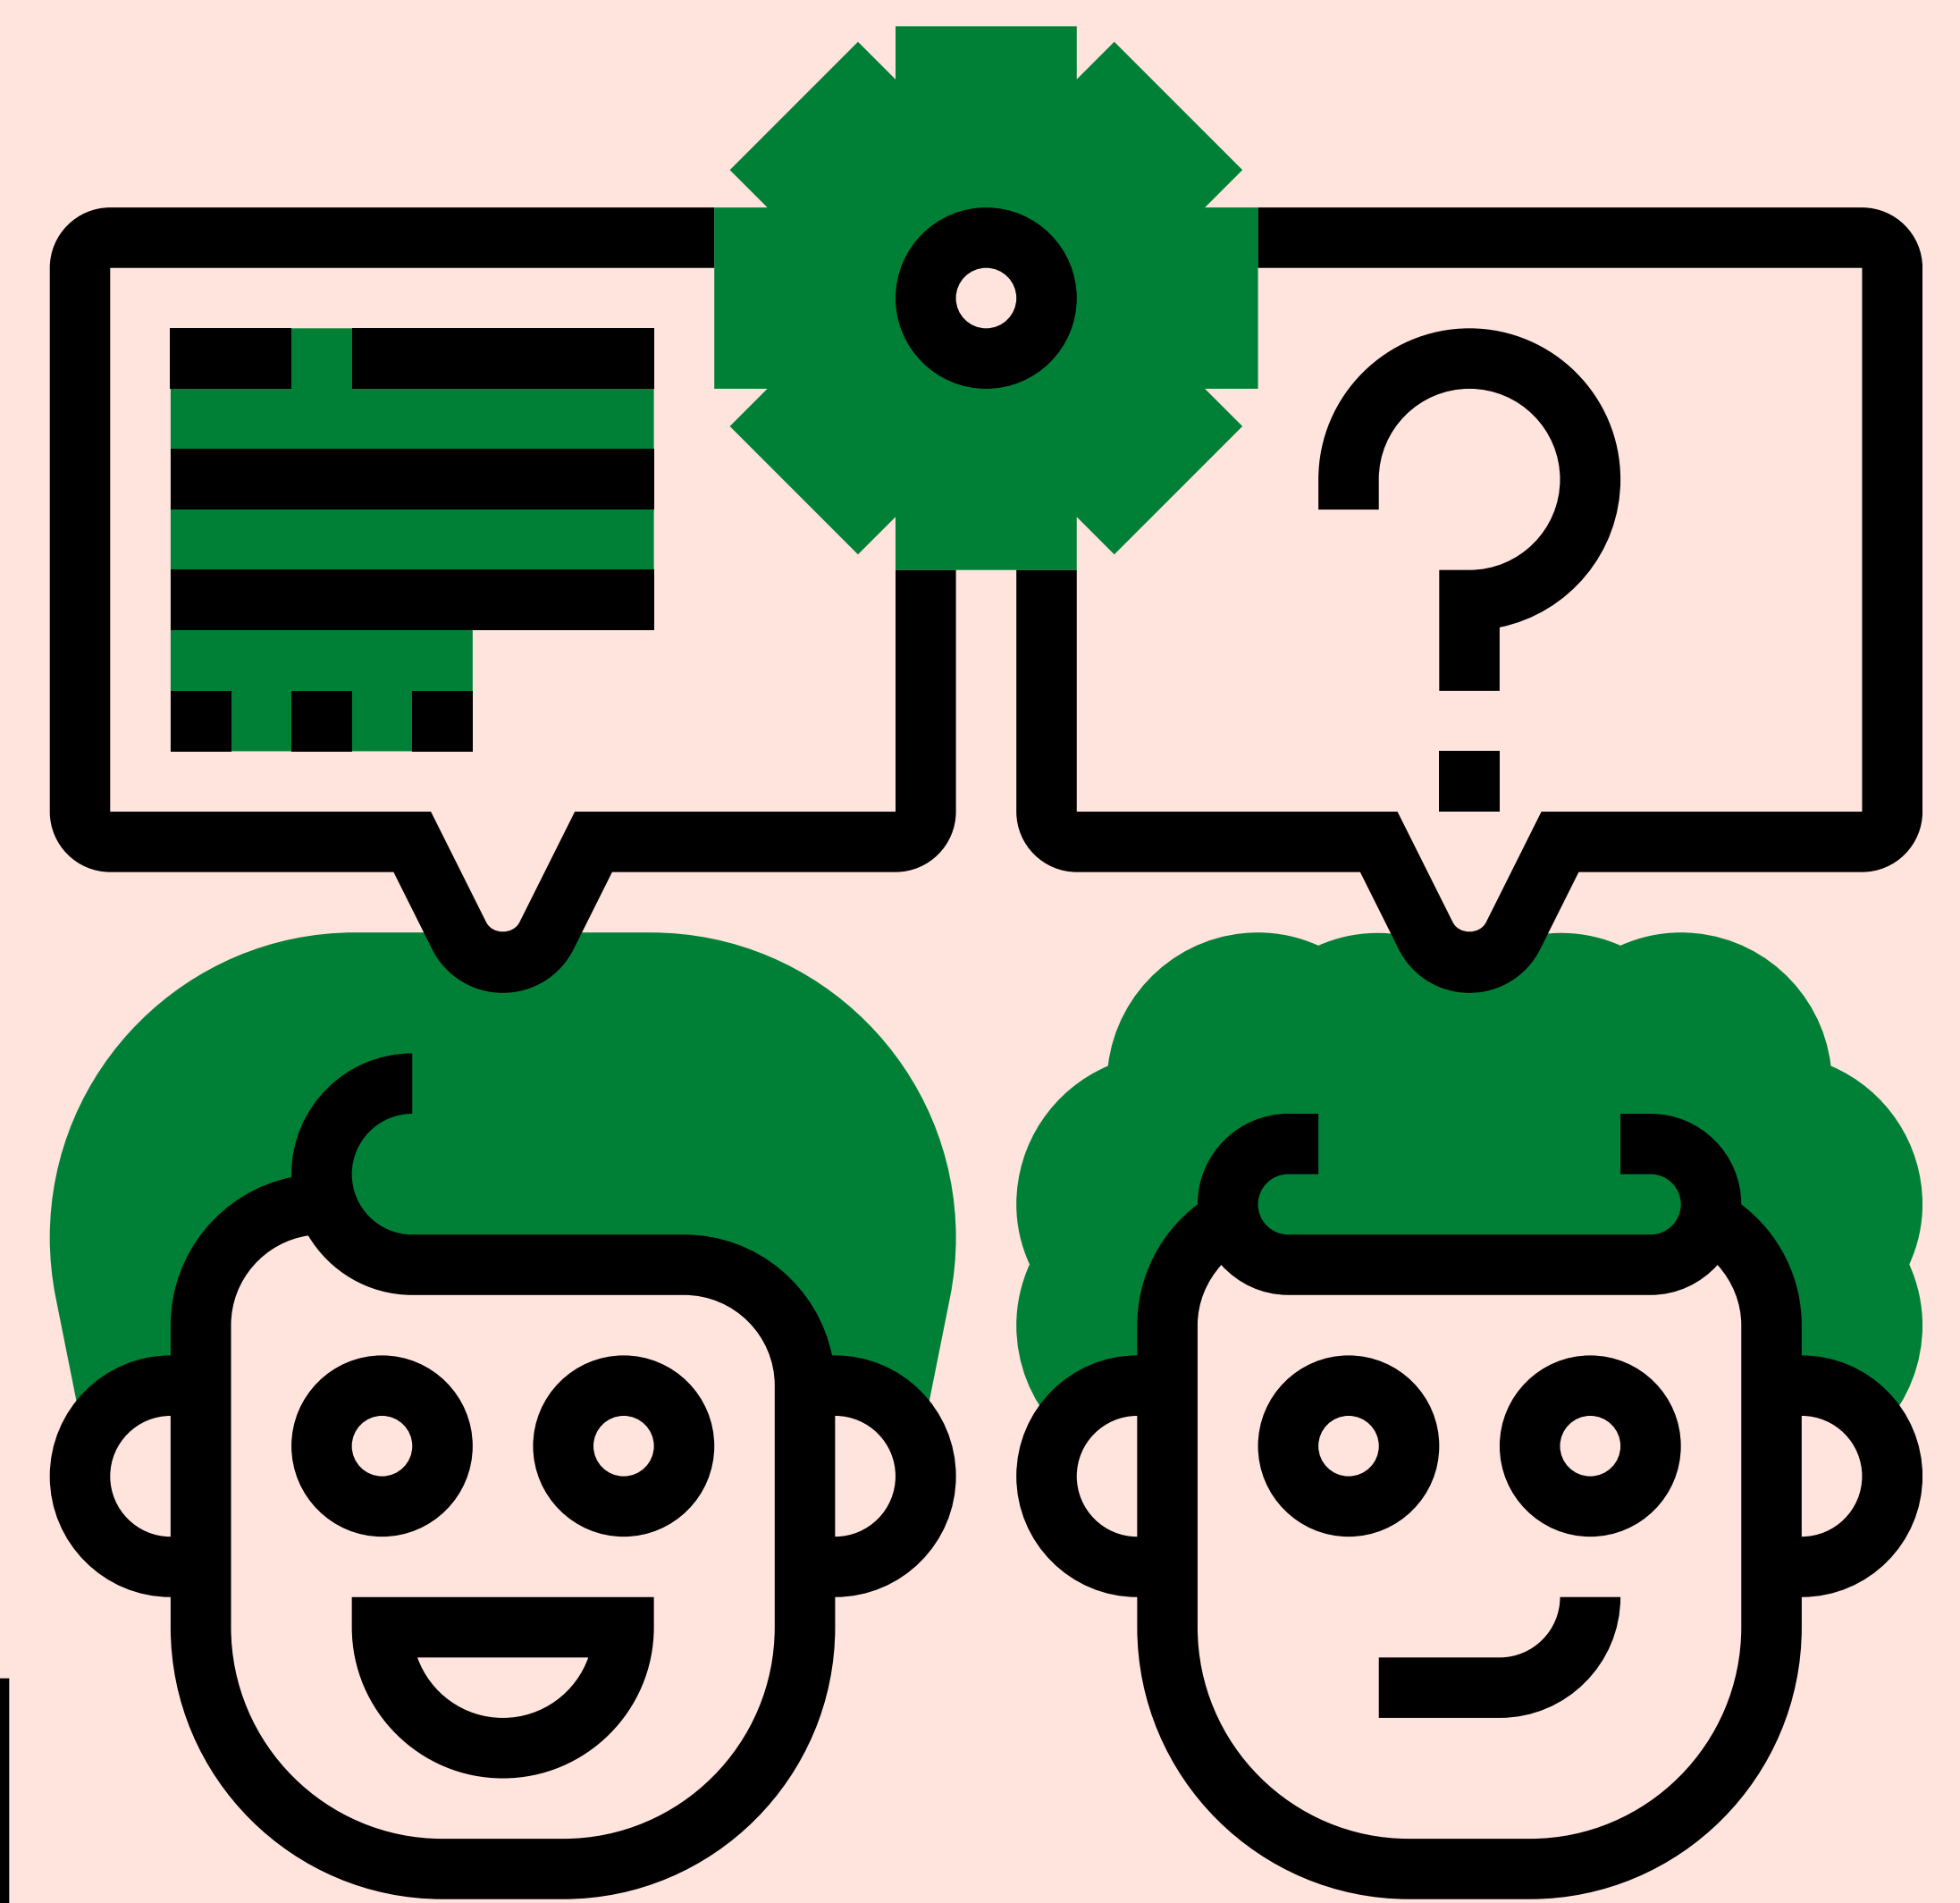

“ 혼자서 할 수 있는 일은 적지만 함께 하면 많은 일을 할 수 있습니다.” - 헬렌 켈러

# POD란 무엇입니까?

- POD를 개인스터디 그룹으로 생각하십시오. POD 구성원과 함께 워크숍에 참석하고 과제와 활동을 완료하기 위해 함께 일하게 됩니다.
- 기술적인 문제나 질문이 있는 경우 포드 멤버에게 연락하여 두 사람이 함께 답을 찾을 수 있는지 확인하세요!

## 내 POD와 어떻게 통신합니까?

- POD 회원과 연락처(전화번호 또는 이메일)를 교환하세요.
- 워크숍을 놓치거나 태블릿에 대해 질문이 있는 경우 POD 회원에게 연락할 수 있습니다.
