

Lesson Plan - Zoom

Topic: Lesson 4 – Zoom	Date
Introduction Zoom is an app where you can video chat with your friends and family. Zoom uses the camera and microphone on your tablet to let you talk to other people in the Zoom meeting. Many people use Zoom to attend virtual classes, meet with friends and family members, and even meet with their doctors!	
Student Learning Goal <ol style="list-style-type: none">1. Understand the capabilities of Zoom.2. Successfully enter a Zoom meeting.3. Understand how to mute/unmute and turn video on/off while in the meeting.	
Agenda <ul style="list-style-type: none">- Go over chapter 4 together.- List 3 questions you have throughout the lesson.- Q&A Discussions.	
Practice Together: Let's meet each other in Zoom! <ol style="list-style-type: none">1. Spread out in different parts of the room. You may even go to a different room, if there is one nearby.2. Following along on your Tablet Handbook, open up Zoom.3. Join the Zoom meeting ID: [ZOOM ID #].4. Once you have joined the meeting, practice muting/unmuting yourself and turning video on and off.	
References / Resources: <ul style="list-style-type: none">• Free exercise classes on Zoom: [ZOOM LINK]	
Check Your Understanding: <ol style="list-style-type: none">1. How would you describe Zoom to someone who has never heard of it before?2. True or False: If you want to meet with someone on Zoom, they must also have the app downloaded.3. True or False: You are able to attend a Zoom meeting with your camera turned off.	

Homework:

1. You will receive an email inviting you to a Zoom meeting.
2. This meeting will be with the Project Lighthouse Evaluations Team – they would like to speak to you about your experiences and opinions on your tablet and Google Classroom.
3. Please join this meeting at the date and time stated on the Zoom meeting.
4. Contact someone in your pod if you have any questions.
